Sir:

Applicants note that the current Office Action mailed August 14, 2002 cites a reference to "Newton" which is not identified by patent number and is not listed of record in any of the PTO-892 or PTO-1449 forms. Because Applicants are unable to prepare an appropriate response without the benefit of the reference, Applicants request that a supplemental Office Action be issued including a copy of the Newton reference and restarting the time period for response.
